

Former and current patients,

After 44 years of practicing Plastic Surgery in Greenville, I have made the difficult decision to **retire**. I plan to continue seeing patients until December 31st, 2022. I am fortunate that Dr. Brent Moister with Riverside Plastic Surgery will continue to care for my patients in the same office and all past records will remain here. Dr. Moister has been in this office for 9 years and is looking forward to offering my patients excellent care. I am very grateful for the many patients who have allowed me to be a part of their journey and I will miss you all. Please feel confident that Dr. Moister and his staff will provide you with exceptional care. To contact Dr. Moister's office, please call (864)-478-8748.

Wishing you all the best,

Dr. Barry Bishop
